<p>Effective Date: 09/06/18</p>	<p>Revised: 08/20/19</p>

*Denotes and Essential Function

Title: Activities Tech

Category: AS1

Code: ACT TCH

Education and Experience Required: High school diploma or G.E.D and CNA certification (must be active and in good standing on CNA registry). Must complete CDS curriculum within the first six months of employment. It is required that he/she will participate in designated in-service training programs and ongoing training is required. Basic computer / word processing skills are required. Valid Maine driver's license. Previous experience working with developmentally disabled adults.

Minimum Physical Requirements: Must be able to go up and down stairs, bend, lift, push, and pull. Provide physical restraints if needed, be able to use mechanical lifts, and wheelchair tie downs in vans.

Duties and Responsibilities of the Position: The Activities Tech provides direct support that contributes to the health and well-being of an individual either in their residence or in the community. The Activities Tech is a CNA who must be able to perform all tasks on The State of Maine Board of Nursing CNA skill list, as delegated by a licensed nurse. The Activities Tech provides support that enables an individual to live in and be a part of their community. The Activities Tech provides active treatment according to the ICF/IID Regulations and individual PCP. The Activities Tech assists individuals with managing safe and responsible behavior, communication, and utilizing coping skills. The Activities Tech teaches a variety of skills as identified in the Person Centered Plan (PCP) under the direction of the QIDP, and provides positive role modeling. In cooperation with the Social Services/Activities Coordinator (SS/AC), they assist individuals with interpersonal skills, and development of family relationships, peer relationships and community relations. The Activities Tech enhances personal development by supporting individuals in personal activities and opportunities that enrich their lives. In cooperation with the SS/AC, DT, DTC, and dietary staff the Activities Tech coordinates events and activities.

- * 1. Provides and supports individual, group and community activities.
